To Whom it May Concern,

Re: Enviroply Roofing Ltd (Enviroply)

Enviroply Roofing Ltd (Enviroply) have been a roofing subcontractor to John Southworth Builders Ltd on numerous projects we have undertaken during the course of our business. The work included the supply and installation of single ply roof coverings in strict accordance with required specifications. Enviroply performed all subcontract works on these projects in a safe, timely and professional manner. The work was adequately staffed and supervised and we look forward to the opportunity to work with Enviroply on future projects going forward.

Yours Faithfully

For and on behalf of John Southworth Builders Limited
